Discussion of the entry

- NM1106: Market of Sustainable Exchange (105),

The singular one of this highly relevant theme, not as a price winning candidate, because in the existing presentation it is not readable. Recommendation of the jury: Contact with the author for publication and exhibition in a reworked version – if possible.

*Lunch*

**Third Round:**

Before voting a discussion about the three different tasks of the ongoing "Planetary Urbanism" project took place:

1. Selection of the winning submissions of the competition
2. Publication of the competition and
3. Exhibition of the Competition

The task of the jury extends only to the selection of the winning submissions and recommendations for the publication. Mainly the publication should consist of much more projects than only the winning ones.
